RED CROSS DRIVE GOES OVER THE TOP

West Valley Hospital Site Chosen; Building To Begin Early In 1951

Negotiations have been completed for a 10-acre site on San Tomas Road near Vasona Junction, the West Valley Hospital District board of directors revealed this week. This will be the site for the proposed 50-bed district hospital.

Owner Anthony Taormino and the board have agreed on a price of \$16,500 for the 9.8 acre property which has a frontage of 463 feet on San Tomas Road. Property was placed in escrow with San Jose Abstract and Title Company Tuesday.

Chairman of the Board H. M. Shadle of Campbell indicated that final acceptance of the property hinges upon approval of the site by the County Planning Commission and issuance of a use permit by the commission. Construction will begin early in 1951 if no zoning problems interfere, he added.

Taormino will live on the property until November and will harvest the prune crop of the orchard land. Also on the property is a five-room ranch house and auxiliary buildings.

Shadle said the site was selected for its proximity to the proposed trunk sewer line for Sanitation District 4, and its accessibility to Saratoga, Campbell and Los Gatos, the three communities the hospital will serve.

Besides Shadle, other members of the board are: Colonel Alton W. Howard and Dr. Merlin T. R. Maynard, Saratoga; Martin S. Walsh, Campbell; and George J. Stepovich, Los Gatos, attorney for the board.

W. C. Henley At Sacramento For School Hearings

Forms for application for state aid under Chapter 1339 are expected to be received this week by the Campbell Elementary School District, Superintendent William C. Henley announced. He said he had been in touch with the local allocation division of the State Department of Finance at Sacramento.

An expansion program of over \$1,000,000 is planned by the district and it is hoped that it can be completed by September 1951. Participation of the district in the program through a small amount in bonds, is anticipated.

Superintendent Henley was in Sacramento Tuesday and Wednesday of this week to attend legislative sessions on the school annexation bill and hearings on Assembly Bill 65 before the Assembly Tax Committee. This latter has to do with the proposal to place a tax on tobacco to raise needed school funds.

The annexation bill (AB 39), which would cover payment of school property annexed to unified districts, will come up again at the next session of the legislature.

Henley was accompanied to Sacramento by Principal John Duncan of Moorpark Elementary School and Thomas P. Ryan, superintendent of the Alum Rock School District.

Tonight, Superintendent Henley will attend the District School Superintendents' meeting at Franklin Hall. It will be a general round table discussion of the various problems of the superintendents. Henley is the discussion chairman.

Easter vacation for the Campbell school district began with the close of school today. The schools will reopen on April 10. During the vacation period, Principal William Shuey of San Tomas School, will attend the State Elementary School Principals' conference in Hollywood, April 2 through 5.

Final Tally Expected To Exceed Quota By \$500; Payne Thanks Public, Workers

Campbell went over the top in the Red Cross drive this week, reports Chairman Joaquin J. Payne. Of the \$3000 quota, the community has raised \$3,364.75, and the final tally is expected to be around \$3,500 when a few small sections are completed by the volunteer workers.

Liquor Store Sold To Cefalu Bros., Shoe Shop Planned

Sale of Hank and Joe's Liquor Store, 218 E. Campbell Avenue, to four brothers, Pete, Tony, Salvador and Joe Cefalu of Campbell, was announced this week by Henry Sanfilippo, seller. Sale became effective March 28.

Sanfilippo said the liquor store business is to be moved to another location in about two months, and he will open a general shoe retail business at the 218 E. Campbell Avenue location. The building is owned by his father, Sam Sanfilippo.

The former liquor store owner issued a public thank you to his many patrons, stating he appreciated their courtesy and business during the two years he has operated the store.

Sanfilippo will open the shoe store, carrying new shoes for men, women and children, in about two months.

Patrol Fund \$542; Last 700 Letters Sent To Residents

Campbell Legion Patrol sent out the last 700 letters to local residents this week requesting support of the community in its endeavor to provide funds for patrol materials, car upkeep and equipment.

Meanwhile, contributions from three residents this week raised the tally by \$27 to \$542.75. Contributors were G. Beard, Tony Raffanti and Glenn Du Bois.

Patrol members had hoped to raise considerably more than the above amount to carry on their activities during the year. All contributions will be used for purchase of necessary materials and equipment for use of the patrol. Major expense is that of gasoline, oil, maintenance for the patrol's privately owned car which is provided for its use. Members of the patrol work in conjunction with county law enforcement agencies in protecting this rapidly growing residential and commercial area. The members, all volunteers, give freely of their time in the effort to provide this protection, and they have been deputized for this purpose by the County Sheriff.

When signs and zones for the enforcement of the new parking ordinance have been installed, the patrol will take over a large part of the enforcement work.

Those wishing to contribute to the patrol funds may send donations to Campbell Volunteer Legion Patrol, P.O. Box 746, Campbell.

During the first three months of 1950, Campbell Volunteer Legion Patrol covered 4000 miles on duty and put in 2000 man hours of law enforcement and traffic regulation.

This amount of effort, considering auto upkeep and salaried personnel, would have cost the taxpayer about \$3500 for a paid police department.

He expressed appreciation to the community "for again putting the drive well over the top and making so proud a showing in the county and national reports, and to the many volunteer workers in the drive."

tional control of the atom, higher minimum wage, FEPC and anti-poll tax laws, veteran legislation, all measures calculated to strengthen the United Nations, liberalization of the D. P. bill, the Marshall plan, rent and price controls, entry of Oriental wives of American citizens as non-quota immigrants and "Point Four," to export technological skills and help the world rebuild itself.

FOUGHT T-H

According to her campaign literature, she has fought monopoly, Taft-Hartley and discrimination. She has proposed a minimum federal pension of \$75 per month as a matter of right, for men over 65 and women over 60; repeal of the wartime excise taxes, a flat \$100 a year cut in income taxes for every taxpayer and each of his dependents, restoration of excess-profit taxes, the Farm Bankruptcy Act of 1949, and federal standards of housing, health and education for migratory workers.

She led off in the fight against monopolistic exploitation of atomic energy and co-authored the McMahon-Douglas Bill which set up the Atomic Energy Commission. She arranged the hearing on the bill for court adjudication of the California-Arizona dispute over Colorado River water, and has consistently led the fight for cheap Central Valley power.

STAGE STAR

Born in 1900 in Boonton, New Jersey, she received her education at Barnard College. An international star of stage and opera, she married screen star Melvyn Douglas in 1931, since which time she has been a resident of California.

Widely traveled in the United States, Europe and Asia, she gave up her opera career in 1937 to fight Nazi-Fascist propaganda in this country.

She was elected to Congress in 1944, 1946 and 1948 and has been a member of the Foreign Affairs Committee. At the 1948 Democratic convention she received support from 17 state delegations for the vice-presidential nomination, which she discouraged, stating she was for Senator Barkley.

Theron McCarty Claims Bride At St. Lucy's Rites

St. Lucy's Church in Campbell was the setting for the wedding of Miss Clotilde Gaylene Ness and Theron Philip McCarty. The bride is the daughter of Dr. and Mrs. Anston R. Ness of Los Gatos. Parents of the bride are Mr. and Mrs. T. N. McCarty of Stockton. Dr. Ness gave his daughter in marriage. She wore a white satin gown styled with sweetheart neckline, fitted bodice and tulle overskirt. Little white satin bows dotted her fingertip veil. She carried a spray of white camellias.

Miss Shirley Britt, the maid of honor, wore a pale blue organza gown over satin and carried a bouquet of yellow carnations. Gene Castle was the best man.

Immediately after the double ring ceremony, the wedding reception was held in the Los Gatos History clubhouse. Mrs. Ness chose a floor length gown of pearl grey crepe and a gray tulle hat. She accentuated her costume with iris blue gloves and iris corsage. Mrs. T. N. McCarty was attired in a black skirt and gold blouse, and she wore an iris corsage. When the newlywed Mr. and Mrs. McCarty left on their wedding trip, the bride wore a gray suit with brown and chartreuse accessories.

The couple are at home in Los Gatos, and Mr. McCarty is continuing his pre-medical studies at San Jose State College. Mrs. McCarty is a graduate of Los Gatos High School and attended San Jose State College where she was affiliated with Delta Gamma sorority.

It has become necessary to cancel the Group I series of the Maternity Conferences scheduled for April 3, 4, 5, and 6 from 1:30 to 4:00 p.m. due to the sudden illness of Miss Kutzer, conference leader of the State Department of Public Health. They are being rescheduled for April 24, 25, 26, and 27 from 1:00 to 4:00 p.m. at Dunne Hall, Civic Auditorium.

SEA GIRL SCOUTS ARE SALTY SAILORS

AS SALTY as any sea-going sailor or in bluejeans, are girl scout mariners of the ship "Water Witch" of Maplewood, N. J. Recently the girls set off in the training ship "Yankee" for a week's cruise in New England waters. With the exception of the engine room and galley detail, the distaff side ruled the 96 foot steel hulled vessel. The girls are members of the Girl Scouts of the U. S. and the cruise is one of the organization's annual projects.

Getting set for the cruise, the first one available to them since Pearl Harbor, meant intensive training and preparation for the 16 teen-age mariners. At each meeting during the year the girls practiced their knot tying, whipping, splicing, first aid and charting. They learned how to play the horn pipe and they studied navigation aids and regulations.

The major project for the would-be mariners was earning the 60-dollar fee for the week's cruise. To take care of this problem the mariners set up a central job exchange. They hired themselves out as baby sitters, check room attendants at dances, clean-up squads for teas and did various money-making chores. By the time they were ready to sail, they were well equipped to chart their course, take the helm, handle sails, and of course, swab decks.

The "Yankee," skippered by Capt. Irving Johnson, had been a North Sea German pilot boat when she was captured by the British in World War II. Captain Johnson purchased the vessel and had her converted to a two-masted sailing ship. He

Teen-age Mariner Scout Joanne Volz of Maplewood, N.J., is an old hand at the helm of the "Yankee." The sea scouts do all the crew duties aboard ship except engine room and galley details assigned to a five-man crew.

renamed her "Yankee" for his former schooner on which many scout mariners had taken cruises before the war. During the training period the vessel put in at such ports as

Martha's Vineyard, Nantucket, Wood's Hole, Block Island and Gloucester. The sea scouts also visited marine and whaling museums and other nautical points of interest in the various ports.

Cupertino Grange Plans Full Slate For Next Month

Fourteen visitors, including two from southern California were entertained at the last session of Cupertino Grange in the IOOF Hall on Friday, March 24, with Worthy Master Dwight W. Sheffer presiding.

Master Martin Walsh of Orchard City Grange was escorted to the seat of honor and other visitors present were Overseer George Shattuck, Mark Purnort, Mae Walsh, Fiera Rabb, Malisa Smith and Claribel Vining of Orchard City; Dell E. and Edna McLean and Walter and Augusta Melott of Almaden; G. W. Gray of Mt. Hamilton and Stan and Ann Gaylord of Vista Grange in San Diego County.

The program planned for the Lecturer's hour featuring the (famous?) Orchestra was postponed due to illness of one of the members, Bro. Ames, but an excellent movie entitled "The Shortest Way Home" was presented by Sister Amy Bean, and enjoyed by all. The picture featured the travels of an ex-G.I. and showed beautiful scenes of Florida, the Great Smokies, Texas, New Orleans, California, Yellowstone and other places of interest.

Richard Bartlett was voted into the order and will be initiated at the Orchard City meeting Tuesday, March 28, by the Almaden 3rd and 4th degree team.

JOINT PICNIC

The Angelos were appointed a committee to meet with an Orchard City committee to plan a joint picnic for some time in July. A card from Morgan Hill Grange thanking the Cupertino Grange for helping them to celebrate their Silver Anniversary and for the plant given them was read by Secretary George Loyst. Mr. Walsh reported on the growth of the rosebush he won as the mystery prize at a former meeting and named it the "Cupertino Rose." He said he will report on its progress from time to time.

Dell McLean announced that a ham dinner will be given by Almaden Grange on April 15 at the Almaden School and all were reminded of the chicken dinner to be given by the Cupertino Home Economics Club on April 28 at the IOOF Hall.

Walter Melott announced that a

Community Club Gives Shower For Mrs. Thompson

Campbell Community Club met Wednesday night at the home of Mrs. George F. Eglings. Highlight of the gathering was a surprise stork shower for Mrs. Wayne Thompson.

During the business discussion, members heard a report on plans for the card party to be given in May. The club also will undertake a plastic party. Tentative date for the latter is April 10.

Many of the members will attend the Angelus spring musical tea to be given by the Women's Service Club next Wednesday afternoon at the Methodist Church.

Mrs. Bernard Clark will be hostess for the next regular meeting, April 26.

Party Sponsors Thank Public

The combined clubs of St. Lucy's have extended their thanks to the community for the support given their party Saturday evening at Campbell High School.

Proceeds of the successful event will go toward the St. Lucy's building fund. Co-sponsors of the party were the Evening Guild, Women's Club, Men's Club and the Youth Group.

4-H Club dance will be held at the IES Hall in East San Jose on April 24. All Grangers and others are urged to support any project of the 4-H clubs.

By vote of the grange it was decided that the next meeting on April 14th will be a Hobo's Convention, with entertainment furnished by the Orchestra assisted by the 4-door sextette. All hoboes are welcome, provided they have the password and all persons attending without hobo costumes will be fined by the lecturer.

Refreshments were served by Paul and Amy Bean and Alice Corp and enjoyed by all, while several interesting stories were told.

A GROWING NEWSPAPER IN A GROWING COMMUNITY

Nine Campbell Residents To Aid Census; Two Will Handle Local Enumeration

Nine Campbell residents will be among the census enumerators who will begin calling on residents of this and nearby communities beginning tomorrow. Campbell itself is divided into two enumeration districts, with Campbell Avenue serving as the dividing line. The two who will handle these districts are Mrs. Sarah Blue, Route 1, Box 154, and Mr. Joseph Frank Feit, 110 N. Carlyn Street.

Other Campbellites who will tally the districts between Los Gatos and Santa Clara will be Lawrence M. Keck, 960 Allendale Road; Allendale Road; Morris D. West, 773 Salerno Drive; Mrs. Ethel B. Mincham, 900 W. San Tomas Road; Mrs. Evelyn M. Buck, 63 S. Third Street; Mrs. Virginia Lee Espinosa, 351 Downing Avenue; Mrs. Dorothy M. Ellis, 751 Stein Way, and Mrs. Rosalie Marian Scofield, Route 2, Box 362.

CREDENTIALS

Each enumerator will carry credentials identifying him as an authorized representative for the decennial census. The card he bears will bear the wording, "U. S. Department of Commerce, Bureau of the Census, Washington," the name of the enumerator, and the signature of Paul D. Bean, head of the local census district.

Residents are requested to cooperate with these enumerators and to ask them in so they may fill out the large census blank with some degree of ease. The census taking job will last through April 15. Census takers receive only 7c per line for their efforts, or an average of \$1 per hour.

The last census provided statistical information filling 70 volumes, and the present enumeration probably will provide considerably more than that. Residents who refuse to answer census questions are liable to prosecution under the law.

Every fifth person will be asked questions which will provide information on migration and national origin, general schooling, employment, income and war service. One

person in 30 will be asked to give additional information on employment, marriage record and children by each marriage.

Battista Ruscigno Dies At Age Of 80; Funeral Held

Battista Ruscigno, 80, native of Tricarico, Italy, and father of Pete H. and Jack Ruscigno of Campbell, passed away March 22 in San Jose. Funeral services were conducted Saturday at 8:30 a.m. in San Jose, with a Solemn Requiem High Mass celebrated at the Holy Family Church. Entombment was at Calvary Cemetery.

Mr. Ruscigno was the father of Pete Ruscigno of Campbell; Mrs. Mary Gonzales of Santa Clara; Jack Ruscigno of Campbell; Anthony Ruscigno of Los Angeles; Frank P. Ruscigno of San Jose; Mrs. Julia Waugh of Sunol; Mrs. Nellie Harrison of San Francisco and Joseph Ruscigno of San Jose. He was the brother of Peter Ruscigno, Mrs. Carmella Perone and Mrs. Teresa Gagliardo of San Jose; the grandfather of nine grandchildren and three great-grandchildren.

Bill Anderson Wins First Prize

Bill Anderson of El Caminito Way won the first prize in Campbell American Legion Auxiliary's Poppy poster contest for school students. Judging was conducted this afternoon in the Frank Cutting home of Harrison Avenue by Artist Cutting and Eugene Barnes, co-publisher of the Campbell Press.

Anderson will receive a \$10 first prize. Second prize of \$5 went to Kenneth Stuckey of First street. Others were judged on their appeal (force which the poster drives home the poppy message with strict adherence to the significance of the veteran-made poppy), artistic ability, originality and neatness.

This annual contest leads up to the annual Poppy Day drive.

Harry E. Ryder In Coroner Race

Harry E. Ryder, 44, former deputy coroner for six years under the Coroner Jessie A. Spalding, entered the race for coroner and public administrator Wednesday when he drew a nominating petition from County Clerk E. T. McGehee. Ryder, who is now an automobile salesman, resigned as deputy coroner in 1946 to seek election as coroner, but was defeated by present coroner Thomas F. Kilmartin.

Blood Quota 30—Donors 12

Although the quota for the blood bank was 30 pints, Campbell citizens gave only 12 pints during the visit of the Regional Blood Center's mobile collection unit Wednesday.

Campbell blood procurement chairman Budd Levenberg commented, "Our sincere thanks to the folks who gave blood when the mobile unit visited Campbell Wednesday, March 29, at the Methodist Parish House. Our quota of 30 pints per quarter for the Campbell area was sadly and embarrassingly lacking."

"Next visit of the mobile unit will be June 29."

He extended his appreciation to Mrs. Ethel Lanphear, Mrs. E. F. Ballott, Mrs. Burton Mahan and Mrs. Henry Parysek who took care of the kitchen, while Mrs. Peter Heintzen registered the donors.

Levenberg expressed the hope that the June 29 visit will bring more gratifying results, and pointed out that recently in Campbell there has been a considerable demand for the blood credited to the community.

Two Candidates Initiated Into Campbell Lodge

Thayer Lyons, noble grand, presided at the Campbell Odd Fellows Lodge meeting last night when the members initiated new candidates George Miller and Harold Olson. Degree Captain Walter Silberbauer and his staff put on the degree work in a most creditable manner.

Officers of the degree staff were: Verne Murdy, past grand; Thayer Lyons, noble grand; Jack Chappell, vice grand, and Ray Gilpatrick, chaplain.

At the next meeting, to be held Thursday, April 6, Cupertino Lodge will visit Morning Light Lodge and both will participate in a pedro tournament.

Waterline Blaze

County fire fighters were summoned to Hamilton Avenue Wednesday night where they controlled a fire which had ignited protective covering on a 16-inch water main being laid by San Jose Water Works.

Children were suspected of throwing a lighted warning flare onto the pipe which has a covering of tar preservative and paper, according to Assistant Chief Fred Lühring. Some 30 feet of pipe was set ablaze.

Dog Poisoned

Fred M. Lühring, 290 S. Union Avenue, reported to the County Sheriff's office yesterday that his Australian shepherd dog, pet of the family for four years, was the victim of suspected strychnine poisoning.

Lühring said a neighbor phoned him that the dog was ill at her home. It died en route to a veterinarian.

Palm Sunday Services At Lutheran Church

Palm Sunday and Holy Week will be marked with special services of worship at Holy Redeemer Lutheran Church, 1948 The Alameda, San Jose. New members will be received on Palm Sunday by baptism, confirmation, and letter of transfer.

The Rev. Erwin G. Walz has entitled his message, "Make Jesus Your Eternal Lord!" The church choir, under the direction of Prof. Otto Trap, will sing "Crown Him Lord," by Norman.

The Lord's Supper will be celebrated at 7:30 p.m. on the evening of Maundy Thursday. The final Lenten Vespers worship is to be held at 7:30 on the evening of Good Friday. On that night the pastor will complete his sermons on the general theme, "The Lord's Passion Gives Meaning to the Lord's Prayer."

Easter services will be held at 6:00, 9:30 and 11:00 a.m.

William Hensen Gets 40 Days On Assault Counts

William Hensen, 22, of 32 Gilman Avenue, Campbell, chose the 40 days in County Jail when he appeared before Justice of the Peace Grandin H. Miller yesterday afternoon, on charges of assault and resisting an officer. Judge Miller fined him \$200 or 40 days in jail. He was charged with two counts of assault and resisting an officer.

Hensen took the leading role in a ruckus here Monday night when he was allegedly caught trying to pick the pocket of a customer at Tony's Busy Bee Cafe, 242 E. Campbell Avenue. Bartender Dick Bersano led Hensen to the door where Hensen reportedly struck Bersano.

Merchant Patrolman Robert Locke took Hensen into custody, and set out with him by car for San Jose. As the car proceeded down Campbell Avenue, Hensen shoved the gearshift into second and stripped the gears, then attempted to leave the scene. Locke fired a warning shot and apprehended Hensen near Campbell and Union Avenues, then turned him over to a group of youths telling them to take Hensen home while he, Locke, summoned aid.

Scout Troop, Post Receive Charters From Men's Club

Boy Scouts of Troop 34 and the new Explorer Post 34 prepared a delicious smorgasbord supper for the meeting held Tuesday evening in the Youth Center by the Cambrian Men's Club. During the meeting the units were presented with their charters for the coming year. The troop is led by Mr. Ed Carman and the post by Mr. Jack Dohoney.

Reports were given on progress of the May Fiesta plans. Almost all organizations have made their requests for booths and a meeting of all participating organizations will be held within the next week.

A piano for the Youth Center was donated by Mr. Al Bacon, and will be delivered this weekend. This will be conditioned with funds raised recently by the Home and School Club in their travelling box campaign to raise funds for a piano.

The meeting was conducted by the vice-president, Mr. Ray Lindsay in the absence of the president.

One of the foremost issues of our time is almost as old as the country itself—the extent to which the federal government should have control and power over the lives of the people.

The founding fathers of the Republic were confronted with this problem. Alexander Hamilton is generally credited as being the leading exponent of a strong, centralized federal government; Thomas Jefferson was the champion of states' rights. In all the years since, the conflict between the two philosophies of government has never been resolved. Political parties have taken first one stand and then the opposite on the issue.

Today, although the federal government is largely controlled by the party of Jefferson, the strong, centralized government theory of Hamilton prevails—and to a degree never before approached in American history. In recent years, rights and prerogatives that formerly were jealously guarded by communities have been relinquished to government on a state level; and, in turn, state responsibilities and powers have been granted to or assumed by Washington.

Today as never before, the citizens stand to lose many of the rights and privileges that have been gained by our forefathers through the hundreds of years of American government.

Voters of Santa Clara county should be especially observant during this coming political campaign to select candidates who will do their utmost to preserve the ideals of Thomas Jefferson in so far as states rights go. As conditions are developing and have developed during the last 16 years, states and communities are slowly but surely losing the rights that they have fought for so hard and consistently ever since the time of Jefferson and Hamilton.—EB

Bad Weather Threat Fails To Halt San Tomas Kids' Kite Day Contest

The kite contest which was sponsored last Sunday by the San Tomas Parent-Teachers Association and the Men's Club, was an unqualified success. Despite the earlier threats of rain, the weather proved admirably suited for kite flying, with many varieties of home-made kites vying for supremacy.

Awards were given for the following types of kites: most unusual, highest flying, most beautiful, smallest, largest, steadiest flyer, and kite with the strongest pull.

During the course of the afternoon, refreshments in the form of hot dogs, coffee and pop were distributed by the PTA.

Mt. View Plans Historical Festival

More than \$1500 in prizes will be awarded to parade contestants in the United Nations and Historical Day parade to be held July 16 as the climax of the Mountain View Harvest Festival, July 14 to 16, inclusive.

Civic, fraternal, veterans and social organizations of all Northern and Central California communities have been invited to enter units in this year's parade.

T. V. Pedersen, chairman, and Reg Williams, vice-chairman, this week announced that the 1950 parade is expected to far exceed last year's three hour affair.

Three times as many mounted units are expected to be represented in the parade this year, according to Pedersen, with some of the area's finest riding clubs already indicating their participation.

Forty-five beautiful and expensive trophies will be awarded to parade participants as compared to the 20 awarded last year. Cash prizes will total nearly \$1,000.

All groups and organizations interested in entering the parade may obtain application blanks by writing to T. V. Pedersen, festival headquarters, Chamber of Commerce Building, Mountain View, phone YORKshire 7-3364.

Reflectors Failed; Damages Asked

Theodore H. Kuhner has filed claim against Santa Clara County for \$387.32 damages to his car as a result of an accident last December 28 when his car reportedly struck a traffic island at Meridian Corners.

Kuhner seeks this amount from the county because, he claims, the reflectors on the island were defective and caused the accident. His claim was referred to County Counsel Howard W. Campen.

At 4 o'clock Sunday afternoon the official board will have its regular meeting.

POPULAR RECORDS

The vogue for tandem style singing has two new recruits in Mary Martin and Arthur Godfrey. This duo comes up with an extremely novel ditty **GO TO SLEEP, GO TO SLEEP** (Columbia 38744). Lyrics tell of a bedtime conversation between hubby and wife and is very true to life. There is a light orchestral accompaniment to back up the sing-song vocal efforts of Mary and Arthur.

The Ames brothers, of Rag Mame, now offer a socko tavern tune **SING UNTIL THE COWS COME HOME** (Coral 60164). The flip **FIFFI, BRING HER OUT AGAIN** has a touch of the French in it and is slightly reminiscent of the burlesque shows.

LONG GONE LONESOME BLUES has folk star Hank Williams wailing the plaintive lyrics. Guitar strum in the background adds to the general effect.

New version of the standard **RAGGING THE SCALE** with the talented Jack Ples. Chorus chanting in the background adds to the brilliance of this disc.

A very haunting melody is Frankie Laine's latest offering **SATAN WEARS A SATIN GOWN** (Mercury 5358). Tune is really dolled up with Harry Geller's Orchestra, Carl Fisher's piano, Judd Conlon's Rhythmaires and a soprano obligato by Looie Jean Norman.

I'd like to start an agitation against the over-padded song titles the popular tunes are saddled with these days. Horrible example—**IF I KNEW YOU WERE COMIN' I'DVE BAKED A CAKE PLUS DOES THE SPEARMINT LOSE ITS FLAVOR ON THE BEDPOST OVER NIGHT?** (Capitol 916) Benny Strong Orchestra.

CHILDREN'S RECORDS

A jaunty little Easter offering is Gene Autry's version of **PETER COTTON TAIL**. The lyrics remind me a little of another seasonal tune "Here Comes Santa Claus" that made a big hit with the kiddies.

CLASSICAL RECORDS

The land of music is a marvelous place, lighted by every mood of music's endless variety as the horizons of our own listening experience of human emotion and peopled by men of every measure of character. The composer cannot help expressing his own impressions of life, his reactions to joy and tragedy. This sense of shared experience, of one human being speaking to another is what makes music so important in our lives. We enjoy music because it awakens a satisfying emotional and intellectual response within us, and not because someone else has found it beautiful. We become increasingly aware of music to meet the various facets of his character.

The Viennese type waltz fits my mood like a glove these early spring days. I don't know when I've heard this type of music played so naturally and freshly as in KALMAN and WALDEUFEL MEMORIES. This is not great music but it certainly is delightful music. Conducted by Robert Stolz, one of the leading interpreters of the waltz idiom, these familiar waltzes blossom out into full concert splendor.

Students of the piano are being treated royally this year, first the Bach Well Tempered Clavier and now — CHOPIN: ETUDES played by Alexander Brailowsky, pianist. These Etudes, each based upon some technical problem, are standard repertoire for the serious piano student. Chopin illustrates these technical problems so well that each Etude becomes a little tone poem, with a lovely lyric melody floating above a richly colored background. Brailowsky, whose reputation as an interpreter of Chopin is second to none, plays with delicately shaded expression giving full rein to Chopin's poetic personality. These Etudes are available on all three speeds. The long playing version I have also contains SCHUMANN ETUDES SYMPHONIQUE, played by Brailowsky.

VILLA MONTALVO OPENING; PUBLIC BID TO GATHERING

The Montalvo Society is inviting the public to the opening of the 1950 season at Villa Montalvo, Saratoga, at 3:30 p.m. Sunday, April 2. There will be an exhibit of students' work—jewelry, ceramics, weaving and painting—presented by the art department of San Jose State College. No admission will be charged. Punch will be served during the afternoon.

This is the first of many delightful events for spring and summer—exhibits of many crafts, lectures, concerts and plays in the charming outdoor theater.

The Montalvo Society is carrying on an active campaign to save the beautiful home and grounds of the late Senator James D. Phelan for the enjoyment of the people of the Santa Clara Valley and the Peninsula as specified in his will and often expressed to his friends and neighbors. There were famous names in the Guest Book: Gertrude Atherton, Richard Halliburton, Kathleen Norris, Prince William of Sweden, many distinguished world citizens, yet Campfire Girls, Boy and Girl Scouts, small poetry groups, young students of the arts found warm welcome. He was a most gracious and generous host and it was his ardent wish to continue the hospitality of Montalvo long after he had left it.

Directors of the San Francisco Art Association, who are trustees of the estate, and other persons eminent in San Francisco's art circles have been invited to share this first meeting. They will confer with the Montalvo Society on their objects and aims and means for achieving them in their endeavors to broaden the scope of Villa Montalvo for the enrichment of the communities' cultural life.

George Shambrook, Farm Advisor in charge of 4-H Club work, was present at the meeting. He discussed the self-improvement project in the 4-H Club program. Shambrook stressed the importance of boys and girls eating foods and having good health habits in order to maintain health standards.

Leaders of the San Tomas Club are Ralph Nelson, Mrs. Dale Lloyd, Mrs. H. Coffin, Mrs. C. A. Legrande and George Nelson.

The title "Progressive Party" has been used by third party movements in the United States three times.

Remains of a prehistoric flying reptile with a wing spread of 18 feet has been discovered in Kansas.

Easter Seal Fund Sends Crippled Children To Camp

Nine Santa Clara county children last year were privileged to attend the Easter Seal Camps conducted by the Crippled Children's Society because of the generosity of Santa Clara county people. The lucky nine spent two glorious weeks at Crestline Camp in the San Bernardino mountains, a camp built especially for them, with everything planned so that handicapped children can move about with as little help as possible.

Crestline Camp is beautifully situated five thousand feet above the floor of San Bernardino valley. Its 50x100 foot living room has a huge fireplace for the evening camp meetings. Large picture windows to the west look out over the Valley. The dining-room is equally as large with big windows on two sides and tables built so that wheel chairs can slide under them, with plenty of room for leg braces.

The sleeping quarters are small buildings with accommodations for six children and a counselor. These are placed among the trees and are easily accessible to the lodge with a swimming pool and playground nearby. Nature trips and overnight trips are planned for the children.

In Santa Cruz the private summer camp owned by Mr. and Mrs. Max Caldwell known as Kennelly Camp at Soquel is turned over to the Santa Cruz Crippled Children's Society for two weeks, at the end of the summer. Here the children enjoy the beach and swimming pool and the same horses and camp shops that have been used by the normal children during the summer.

Last year Nettie Jean, Carl and Helen went from Campbell; Billy from Agnew; Norango from Palo Alto and Paul from Sunnyvale. Each parent helped as much as possible toward the cost, but the greater part of the \$85.00 each child cost was borne by the Crippled Children's Society.

More crippled children are hoping for the privilege of going to camp this year. Your Easter Seal contribution will make this possible!

THE FARMER'S CORNER

By RALPH H. TAYLOR
(Executive Secretary, Agricultural Council of California)

The modern version of "Button, button, who's got the button?" is being revived in the halls of Congress as it attempts to find new tax sources, but the players have substituted money for buttons. Thus, those who would be relieved themselves and have their burdens put on the shoulders of their competitors have found it profitable to point the finger at the farmers' cooperatives, charging them with tax evasion.

The spearhead behind this drive is the National Tax Equality Association and the National Associated Businessmen whose supporters and members are largely competitors of the farmers' cooperatives. Since they claim to represent small businessmen, it is interesting to note that even as representatives of these two organizations were appearing before the Ways and Means Committee on the question of taxation of cooperatives, the House Small Business Committee issued a report stating that neither NTEA nor NAB "truly represents small business."

Both organizations are avowedly fighting for tax equality, and in that guise state that the cooperatives are evading about one billion dollars in taxes annually. But the Secretary of the Treasury says that if the statutory exemption were removed entirely, it would bring in substantially less than 20 million dollars and that the cost of collecting that relatively small amount would eat up much of the income.

The NTEA constantly speaks of farmers' cooperatives as "tax free." The facts do not bear out the statement. These cooperatives do pay taxes and plenty of them. They pay property taxes on land, buildings, equipment, and inventory just as does any other private business. They pay social security taxes, license taxes, and income taxes on any profits accruing to the cooperative.

The great cry of tax exemption boils down to this: by accepting a number of restrictions on their operations not applying to ordinary corporations, the cooperative is exempt from paying income tax on the limited dividends, amounting only to interest, that it can pay on its capital stock and on certain unallocated reserves that may in the discretion of the Treasury Department be allowed for necessary purposes. These, too, are small and the tax from them would be inconsequential.

That the small exemptions allowed the cooperatives are at least offset by the disadvantages of the restrictions placed on them is evidenced by the fact that only approximately half of the cooperatives claim the exemption. Half of them have abandoned it and more are doing so with the passage of time.

Furthermore, cooperatives are but a very small part of American business. Of the 2,616,956 wholesale and retail organizations listed in the last Federal Census, 86.4 per cent are proprietorships and partnerships, 13.1 per cent are corporations other than cooperatives,

Church Choir To Sing Faure's 'The Palms'

"The Palms" by Faure, will be sung by the Saratoga Federated Church choir this Palm Sunday, April 2, during the morning service, which commences at 10:30. The choir is under the direction of Mr. A. E. Bredemeier, with Mrs. Ethel W. Miller, F.A.G.O. at the organ console.

Sermon by the pastor, Rev. Gordon L. King, will be on the subject, "Christianity Marches On." A cordial welcome is extended to all.

A special service will be presented by the Pilgrim Fellowship at the evening service commencing at 7:45 p.m. in a program of worship, pictures and song, depicting the major events of the Passion Week.

and only one-half of one per cent (.5 per cent) are cooperatives. Thus cooperatives are a minute fraction of the 86.9 percent of American wholesale and retail business which is not subject to business income taxes because, as business entities, they acquire no income or profit.

The charge that tax exemption is causing expansion of farmer cooperative business with "jet-propelled" speed is not borne out by the facts. Official federal figures presented by Karl Loos at the congressional hearings show that the volume of farmers' marketing cooperatives amounted to 28.4 per cent of total marketings in the 1930-31 season, but only 23.8 per cent in the 1947-48 season, a decline of 4.6 percent.

For farmers' purchasing cooperatives it is about the same. In 1930-31 purchasing cooperatives' business amounted to 2.8 percent of total receipts from cash marketings. In 1947-48 this business amounted to 4.4 per cent of cash marketings, a gain of only 1.6 per cent in almost 20 years.

Cooperative attorney Loos has also pointed out that many corporations pay no income tax because, like cooperatives, they have no income. In the 10-year period ending in 1944, an average of 226,000 corporations paid taxes while an average of 236,000 paid no taxes because they reported no net income. The corporations which paid no taxes, at the same time, paid total dividends averaging \$280,000,000 a year.

The distinction was effectively summed by Loos when he told the congressional committee that "a cooperative is in business to make a profit for its patrons; a proprietary corporation is in business to make a profit out of its patrons." And it might be added that the farmer pays income tax on the added profit the cooperative makes possible.

He further pointed out that the proprietary corporation may, and sometimes does, operate exactly as a cooperative does, and on such operation where there is no profit it pays no tax.

The trouble is the cooperatives' competitors have said they want to tax the funds that have been put up by, and have always belonged to, the members and never to the cooperatives, thus wanting to lay heavier taxes on farmers' cooperatives than on their own forms of business.

clude the business of the 1949-50 season and prepare for the following season. The past season has been a very successful one for the association. All available member ships were sold and the programs presented have met with the approval of the members.

Air Force Reserve Training Offered Local Personnel

Many local Air Force Reserve personnel face the prospect of having their connection with the AFR terminated in the future for failure to participate in any of the AFR training programs, Lt. Col. Maurice L. Martin, USAFR, stated in a communication to this paper this week.

Warning letters have been forwarded to local reservists whose addresses are known by various Air Force agencies, however, where the reservist has moved without notifying his Air Force headquarters of his change of address, such communications may not reach him. His failure to reply to such official correspondence may be made the basis for automatic transfer to the Inactive Reserve.

In certain cases, waivers may be obtained, however, these are given only on the basis of action initiated by the reservist. Extension courses are also available. Aside from these possibilities, the Air Force Reserve program consists of three general phases.

The organized Reserve program is limited in the number of personnel who may participate and generally requires periodic attendance at a regular Air Force installation for training. This is a paid program.

The Inactive Reserve is composed of individuals who fail to participate in any point gaining activity and are therefore being held pending separation. Inactive Reservists are not eligible for promotion, retirement or active duty.

The Volunteer Air Reserve training program has been established for those reserve personnel who are unable to participate in the Organized Reserve program, but still desire to retain their connection with the Air Force. Volunteer air reservists are eligible for retention, retirement and promotion and may be given the opportunity for short tours of active duty if they so desire. They do not receive pay, nor are they required to participate beyond attendance at local meetings.

The 9387 VAR Training Squadron has been organized to provide this opportunity to personnel in this area. Meetings generally are held on Mondays at 7:45 p.m. at the ORC Armory, 217 W. Julian Street, San Jose. Flights of this unit also meet in San Jose on the second and fourth Fridays; and in Gilroy on the second and fourth Wednesdays of each month. Additional flights may be designated to meet at such times and places as local personnel may desire.

Additional information may be obtained at any unit meeting, or by contacting M. L. Martin, 503 First Nat'l Bank Building, San Jose, CYPRESS 4-7505.

Mrs. Alfred McLaughlin, secretary of the World Affairs Council of Northern California, will address the members of the Women's Auxiliary, Saratoga Federated Church, and the general public, next Tuesday, April 4, at 2:30 p.m. in the church. Annual meetings are held each June at Mills College. Mrs. McLaughlin has been lecturing for UNESCO of the United Nations. Section Four, under the leadership of Miss Ruth Beckwith and Mrs. W. W. Worden, will have charge of the tea hour.
